Mrs. Scott's Scoop:

Spring is just around the corner and the sunshine is finally here. It's fun to see the kids all excited to get outside and RUN, PLAY, JUMP, and just enjoy the weather. ☺

Pink Shirt Day was a special event last month as we all wore pink or red, and took part in an assembly to remember what bullying is all about.

Registration for September 2019

If you have a child, or know of a child, who is eligible to start Kindergarten in September, please ensure that registration is completed as soon as possible. Please log on to the Chilliwack School District's website to register your child. You will need to have a birth certificate and proof of residency in order to register at your child for school. This is imperative in order to plan for next year. Also, if you know of a family who is considering sending their child(ren) to Bernard, I would be happy to talk to them directly, give them a tour of our school, or answer any questions that they might have about Bernard Elementary School.

Report Cards for Term 2

Report cards are coming home on Wednesday, March 13th! ☺ Please take some time to celebrate the successes of your child, and support any goals that they might have. If you have any questions about your child's progress, please contact the teacher directly.

School Safety

Just a reminder...we need to make sure that our kids are safe and that everyone entering our school

signs in at the office. This year, we have many more of our parents signing in and we really appreciate you taking the time to do this. It has really helped us feel good about that fact that we know who is in our building at all times. Thank you so much! ☺ Also, if you are picking up your child early, it is imperative that you sign them out at the office, for safety reasons. ☺

Our Busy Office

Our office is very busy at the beginning and end of the day. We would like to remind all of our students and families that the office is not a place for students to meet their parents. ☺ All of the students are supposed to exit from their classroom doors, or the doors closest to their classrooms. We ask that all parents please pick up your children outside of those doors, keeping our front door and office entrance clear. Also, students are not to use the front doors unless they are with an adult or are a bike student borrowing a school lock. Thank you for your efforts with this.

Ideas for Families

Do you have a child who will be going to Middle School next year? If so, this is a great post for you to read.
