

Tómiyeqw

The Coast Salish philosophy behind Tómiyeqw guides people to think deeply about any action, or inaction, they take. Tómiyeqw expresses the responsibility and connection Stó:lō people have to the seven generations past and future. Tómiyeqw reminds us to think beyond our own lifetimes and act with care for future generations.

Bernard Elementary School

SCHOOL GROWTH PLAN 2025-2029

Our Purpose: Honouring, Shaping and Inspiring our Past, Present and Future

We value the histories, cultures, and contributions of all who came before us. Together, we support every learner's journey by building connected, caring communities. We empower curious, courageous, and compassionate learners who have the knowledge and skills to contribute to a changing world.

We're committed to Truth and Reconciliation, lifelong learning, and shared responsibility for the future.

About the Framework

The framework helps tell the story of Chilliwack School District's purpose and vision.

The framework is a series of concentric circles which speak to the circles of care that we practice in our work. The medicine wheel sits in the outer ring. It represents the cardinal directions and the four quadrants of self: physical, mental, emotional and spiritual. The inner rings hold our values, strategic priorities, and goals. The innermost ring is student success – the priority we hold above all others.

At the heart of the framework is an illustration by artist Carrielynn Victor. It represents the concept of Tómiyeqw -- the generational lens with which we make decisions.

LITERACY GOAL

Literacy is the foundation for learning. It creates a connection to each other and the world. Literacy can be a source of joy. We will: Empower learners to access knowledge, express ideas, think critically and communicate in various ways.

High Quality Instruction

We deliver inclusive, culturally responsive, and evidence-informed literacy instruction and assessment that supports diverse learners and aligns with the BC competency-based curriculum.

Evidence Based Decisions

We use district and classroom assessments to monitor student progress, guide instructional planning, and analyze disaggregated data to identify and reduce gaps in achievement.

Timely Targeted Interventions

We provide early and responsive multi-tiered literacy supports and access to high-quality resources and professional learning to meet student needs.

School Actions

Priorities 2025-2026 school year

Enhance student's reading, writing, and oral communication skills through:

- i.) Using the Response to Intervention (RTI) system to ensure timely and targeted interventions for students based on school-wide screening throughout the year. School wide RTI support Tier 1 and 2 interventions and Universal Design for Learning for students based on school and district assessments.
- ii.) Understanding of the Ministry [Foundational Literacy Progressions](#) and [SD33 Literacy Framework](#) and how they align between grades and connect to instruction.

School Measures

Grade 1

Phonemic Awareness
Letter Identification
Word Inventory

Grade 2/3

Word Inventory

ACT

Grade 3,4,5

PMB

Grade 1,2,3,4,5

FSA – Grade 4

Assessment Data

(% students

proficient/extending District

District Measures

- FSA 4 (Reading / Writing)
- FSA 7 (Reading / Writing)
- Literacy 10 and 12
- PM Benchmarks (running records)
- ACT (Assessment of Comprehension and Thinking)

NUMERACY GOAL

Numeracy is the ability to understand, interpret, and work with mathematical concepts. Developing number sense builds confidence, curiosity and supports everyday problem solving. We will: support learners to understand, apply and communicate mathematical concepts, processes and skills to solve problems and engage in the world around us in creative ways.

High Quality Instruction

We deliver inclusive, culturally responsive, and evidence-informed numeracy instruction and assessment that supports diverse learners and aligns with the BC competency-based curriculum.

Evidence Based Decisions

We use district and classroom assessments to monitor student progress, guide instructional planning, and analyze disaggregated data to identify and reduce gaps in achievement.

Timely Targeted Interventions

We provide early and responsive multi-tiered numeracy supports and access to high-quality resources and professional learning to meet student needs.

School Actions

Priorities 2025-2026 school year

Enhance student's foundational numeracy skills and mathematical thinking through:

- i.) Implementing school wide use of SNAP for assessing and guiding instruction in developing number sense.
- ii.) Implementing a balanced numeracy approach by incorporating hands on learning, problem solving, STEM activities, number talks, vertical surfaces and applying learning to real world applications.
- iii.) Using the Response to Intervention (RTI) system to ensure timely and targeted interventions for students based on school-wide screening throughout the year. School wide RTI support Tier 1 and 2 interventions and Universal Design for Learning for students based on school and district assessments
- iv.) Understanding of the Ministry [Foundational Math Progressions](#) and [SD 33 Numeracy Framework](#) and how they align between grades and connect to instruction.

School Measures

SNAP – Number Sense and Operations
 Class Profiles
 Fact Fluency assessment
 Teacher collaboration time
 CBIEP/SBT meetings
 Continuous School Improvement Assessment
FSA – Grade 4
Assessment Data
(% students
 proficient/extending)

District Measures

- FSA 4
- FSA 7
- Numeracy 10
- SNAP (Student Numeracy Assessment and Practice)

WELL-BEING GOAL

Well-being embraces the whole person including their physical, emotional, mental, and spiritual health. We will create environments in which everyone feels safe, supported, and valued. We will care for ourselves, each other, the community, and the land.

School Actions

Priorities 2025-2026 school year

Embed Social Emotional Learning (SEL) and well-being into classroom instruction and routines through:

- i.) Continuing to make connections to Indigenous culture bringing authentic Indigenous resources and people into the school. Organizing Indigenous Hikes, land based field trips, Indigenous Learning Days, Cultural Nights, etc.
- ii.) Align SEL instructional resources (Calm Program, Zones of Regulation) and strategies across the school and grade levels to ensure consistency and a shared language of support. Developing learner and class profiles to inform instruction, enhance SEL practices, and guide effective behavior supports across Tiers 1, 2, and 3.
- iii.) Continue building on school Programs that foster connectedness- Breakfast Program, Connection Crew, Social Play groups, Chess club, Tech Club, Buddies, School Sports, Afternoon Adventures, Lunch Program, Wrestling club

School Measures

Attendance at Transition events (RSL, Strong Start, Meet-n-Greet, etc.)
 Attendance Rates
 Attendance @ breakfast and lunch programs
 Class and student profiles
 Connection Crew feedback

District Measures

- Grade to Grade Transition Data
- 5 and 6 Year Completion Rates (Graduation)
- Post-Secondary Transition Rates
- Attendance Rates

High Quality Instruction

We integrate social emotional learning, mental health literacy, and Indigenous ways of knowing into daily instruction to foster identity, belonging, and a culture of care.

Evidence Based Decisions

We use student, staff, family, and partner voice, well-being surveys, and school-based data to understand experiences of safety, connection, and belonging, informing practices that support the whole learner.

Timely Targeted Interventions

We provide responsive supports that address barriers to well-being – including mental health, bias, and marginalization – through school and district-based services, staff collaboration, and community partnerships.

TRANSITIONS GOAL

Each student experiences changes that bring new challenges, expectations, and opportunities. Well planned transitions involve preparation, communication, and collaboration. We will plan successful transitions for students as they move from early years into adulthood in collaboration with families, staff, and community.

High Quality Instruction

We plan and provide developmentally responsive and culturally sustaining instruction that fosters continuity and connectedness during key transitions across the pre-K–12 journey and beyond.

Evidence Based Decisions

We collect, analyze, and monitor student transition data – such as attendance, engagement, and learning – and collaborate within and across schools and partners to align plans and create shared understanding of student learning and well-being needs to support graduation pathways.

Timely Targeted Interventions

We implement meaningful supports during transitions through collaborative conversations and planning between students, staff, family and partners to provide connected pathways through pre-kindergarten to graduation and beyond.

School Actions

Priorities 2025-2026 school year

Engage in instructional practices, classroom and school routines that support transitions through:

- i.) Early Childhood Education programs: Strongstart, Ready Set Explore, Mays Days, and Kinderfair – increase number of activities for families to connect with school.
- ii.) Develop classroom routines, structures and supports that address known transition challenges (visuals, routines, expectations, SEL, etc.
- iii.) Align Tier 2 and Tier 3 supports with the needs of incoming and outgoing students. Emphasis on identifying and transitioning vulnerable students through ongoing collaboration with families, CDC, community services, community partners and schools.

School Measures

Attendance at Transition events (RSL, Strong Start, Meet-n-Greet, etc.)
 Attendance Rates
 Attendance @ breakfast and lunch programs
 Class and students profiles
 Connection Crew feedback

District Measures

- Grade to Grade Transition Data
- 5 and 6 Year Completion Rates (Graduation)
- Post-Secondary Transition Rates
- Attendance Rates
