Bernard Elementary Home Reading Program

Hello parent(s)/guardian(s) of children at Bernard Elementary! Our home reading program has changed a little to help everyone keep better track of reading nights and to save some paper. Here is all you do:

1. Use the chart below and on the following page to check off each night on which 15 minutes or more reading has been done. (September 6 is the first possible night, and June 2 is the last)
2. When your child reaches 25, 50, 75, 100, 125, 150, etc. nights of reading, sign the line in the appropriate spot.
3. That's it! Please don't remove this sheet from the planner as your child's teacher will check the planner regularly for signatures. The LAST day this sheet will be check for signatures will be Friday, June 2. Each teacher will have a way and time of checking the home reading and will provide details about this. For example, some teachers might check for new signature daily, others, weekly....parent volunteers will help us with the prize distribution.

Please double count the number of days read to ensure that the total days read isn't more than days passed. How funny would it be to hand in 100 days read when there has only been 75 since the start! 😊

Happy Reading from all of us at Bernard!
